Individual Progress Report

Periods 8 April - 26 April 1957

Zarevich, Sergei

1. Progress:

- a. Code. Receiving seven groups per minute and sending speed is six groups per minute. Subjects progress is satisfactory.
- b. Tradecraft. Results of the 19 April examination show Zarevich to be number one in the class for that exam.

2. Instructor's Comments: His description of persons was superficial. He did not answer the question of the Conducting of Questioning. The other questions he answered correctly. It was noticed that he strives mightily to do everything correctly.

3. Staff Comments: Zarevich has stepped up noticeably in his efforts to improve his standing in the class. He frequently puts in extra time on Sundays and nights on code and classroom subjects. He has shown a tendency to refrain from asking as many questions of a "jumping ahead" nature as he had in the past.
